

## PASTORAL WORKER REPORT

I continue to be Chaplain to the Air Training Corp – as the Greater Manchester Wing Chaplain. It involves meeting with other adult volunteers, assisting them in the recruiting of a squadron chaplain and visiting squadrons across the Wing and occasionally (when all the paperwork has been completed which is no mean feat) enrolling chaplains and I am also privileged to enrol Cadets where there is no chaplain in place. Once again I led the Service for Battle of Britain Sunday at the Cenotaph here in Sale. Although due to the restrictions it was a very much more reduced and selective service. I feel very lucky to be able to serve God in this way.

I continue with the background work in which I can use my skills and even rashly agreed to take on the role of PCC Secretary at least during the Vacancy. As I have said previously it may seem that the weekly Pew Sheets, Parish News, Service Sheets for special services, this Annual Report (along with many other ‘behind the scenes’ items) just appear but they take a considerable amount of time and I feel extremely privileged in being able to serve God in this way.
