

## TUESDAY GROUP

We met in February for our AGM.

Our committee is as follows:

Leader - Hilary Moore

Secretary - Diana Kelly

Treasurer - Paula Hughes Committee member - Marlene Butlin

A programme of speakers was announced, with the first one being in March. Shirley Dowson gave the second part of her talk on "The Mitford Girls". What an unusual family. Unity became part of Hitler's inner circle and was apparently the most hated woman in Europe. Diana loved Oswald Moseley and had a stroke after he died.

Unfortunately, that was to be the last meeting of the year, due to coronavirus.

However, during the year the committee decided that we could afford to give £200 to the general Church fund, which was gratefully accepted.

We hope to resume meetings when possible.
