

## From the Vicar and Churchwardens

### **Covid-19 Risk Assessment Important Update**

**It is now mandatory that those age 11+ wear face-coverings whilst in church and the Hall unless exempt.**

The wearing of a face-covering properly (**fully covering your nose and mouth**) helps everyone in that it helps protect you from me, and me from you from the spread of the virus.

We will also be asking you to socially-distance wherever possible and to continue to sanitise your hands on entering and leaving the building.

If you have any symptoms of Covid-19 please do not attend church. Services are live-streamed via Facebook.

If you test positive for Covid having been in the building, please inform the Church Wardens and/or Vicar as soon as possible as we will need to either close the building for 48 hours or have a deep clean.

Keep praying for our NHS workers and all those involved in vaccination services.

Let's all do what we can to help.

## Tuesday Group

The meeting in January is looking to be rather problematical! We seem to be hearing a lot about a possible lockdown in the New Year, so for now I think we must wait and see!!

If we can meet, I will get the details announced in Church and will phone you all if things have to be cancelled at the last minute.

Wishing you all a healthy New Year.  
Diana

## Men's Society

We hope to hold our AGM meeting on Thursday 28<sup>th</sup> January at 8pm. It is planned to be our usual Hot Pot Supper and all menfolk are invited. Please watch the Pew Sheets for any changes due to the pandemic.

Rodney Hadwen  
Chairman

## Community Choir

We meet on a Friday in the Church Hall at 1.30pm, concluding by 2.30pm. We are open to singers of all abilities! We provide a safe space for those with dementia and/or memory loss to come along with their carers/family and have a sing song. Refreshments are provided.

Please get in touch with us via the Church Office either email or telephone for more info.
